

Maths:

- Fractions
- Length and height
- Position and direction

Reading:

Our Reading for Pleasure sessions will continue on a Friday afternoon. They were a great success last term!

Art:

This term, we will be looking at the works of Hannah Bruce, and use her work as inspiration to create a diorama using found materials and other media.

English:

We will be continuing learning to write for a range of purposes, including writing:

- Postcards and letters
- Character and setting descriptions
- Simple stories
- Instructions
- Diary writing
- Informational texts

Year 2
Term 5
2021 - 2022

Science:

Living Things Around the World

This term, we will be looking at how different animals have adaptations which enable them to survive and thrive within their environments.

Topic:

- Explore woods and forests in our local area
- Find out about the features, animals and locations of rainforests
- Look at rainforest, destruction and why and contribution to environmental damage
- Find out about indigenous peoples of the rainforest.

PE:

This term, we are lucky enough to make use of our Forest School. This will be on a Thursday afternoon. PE will be on a Monday afternoon with Coach Tom.

Music:

Our next Charanga unit of work covers a wide genre of music, with all songs focussing on friendships.
