

Welcome back to Butterfly Class!

Term 3

Welcome to another exciting term in Butterfly Class! We hope that you have all had a wonderful time over the Easter holidays and that the children have all had a well deserved rest after the excitement of last term.

Our topic for term three is 'We are Farmers'. We will be exploring different plants and finding out how to look after them. We will also be growing our own plants and finding out about the lifecycle of Butterflies. If you have any questions about your child's learning, feel free to message us on Class Dojo or talk to one of us on the gate.

Best wishes,

Miss Heaton and Mrs Whitehead

Term 3 curriculum

Maths - Counting verbally to 30, counting objects accurately to 10 and beyond, simple addition and subtraction.
