

Year 2 Class Newsletter.

TERM 3: 04.01.2022 - 11.02.2022

TO INFINITY AND BEYOND!

Welcome back! We hope you had a restful Christmas break!

This term our topic is called To Infinity and Beyond. We will be discovering space and learning about key explorers who have been to space. Our science links in well to our topic theme this term, and we will be learning about materials and their properties.

In Maths, we will be using our existing knowledge of place value to learn about multiplication and division. We will be using arrays to help us with learning our 2, 3, 5 and 10 times tables, and well as helping us to divide between 2, 5 and 10.

In English, we will be extending and developing our writing by using texts linked to our topic. The children will engage imaginatively with each text through drama, discussion, and a series of creative activities. Please can you support your child with their writing at home, by ensuring that they are applying their phonetic knowledge to their writing, as well as forming letters correctly.

REMINDERS

Children only need to bring their water bottles, lunch boxes (if required) and a warm coat into school daily. School bags are not required.

Reading books will be sent home on a Tuesday afternoon. These are to be returned the following Monday. Please can you support your child with their reading at home. They should be reading for around 10 minutes every day.

Please ensure that your child is wearing the correct school uniform (including school shoes). This term, PE will be held on a Tuesday and a Thursday. This will be held outside, weather dependant. Please make sure that your child is wearing the correct kit on these days. The correct uniform can be found on our school website, as well as on Class Dojo, for your reference.

As usual, please don't hesitate to get in contact if you need anything. Catch us at on the gate home time, or use Class Dojo to set up a meeting.

Miss King, Mrs Sharpe, Miss Taylor
