BUSY BEES - TERM 3, 2022

## Reminders

- PE next term will continue to be Tuesdays and Fridays.
- Forest school will be on Wednesdays.
- Please bring in reading folders every day. This allows us to keep on top of where the children are so we can progress them appropriately.

## Home learning

- Please keep reading to your child on a daily basis, we cannot emphasise enough how beneficial this is to your child's development!
- Please also support your child's writing at home

## People who help us

### January 2022

This term is all about people who help us.

This is always our topic at this time of year, but a particularly appropriate one given the current situation. We will talk about all sorts of people in society who help us. If you know anyone who supports in the community and would be happy to do a little talk for the children then that would be wonderful!

In maths this term we will be consolidating what we have learnt already, as well as talking about positional language. We have noticed that some of the children struggle with simple positional instructions so it would be wonderful if you could work on this at home too!

The phonics progress in this class is phenomenal so we will continue to capitalise on this and look forward to seeing what comes!

We very much look forward to seeing the children back in January.
